Re: Response to Request for Composition Information on Candidate List Substances

Dear Liz,

This letter is in response to your request dated 17th July 2019 for composition information on Candidate List Substances related to Art. 59.1 of Regulation No 1907/2006 of the European Parliament and the Council concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) as updated by ECHA on 15th January 2019 (<http://echa.europa.eu/web/guest/candidate-list-table>). 3M has a process in place whereby if there is a change in the SVHC status of the products below that we will communicate these to our downstream users.

You requested information regarding the following 3M product(s):

Due to the wide variation in content and format of such request forms, it is the policy of 3M to provide letters, such as this one, in response to requests for regulatory information.

On behalf of 3M Company, to the best of 3M's knowledge, the chemicals from the Candidate List as amended on 16 July 2019 are not present at or above 0.1% in any of the product(s) listed above.

In preparing this response, 3M has relied in part on information provided by 3M suppliers.

SVHC information for articles can be found via the following website: www.3m.com/svhc

I trust the above information is responsive to your request.

Please contact me at tox.uk@mmm.com if there are any additional questions.

Sincerely,

Northern Europe Product Stewardship & Sustainability Group
