Due to the wide variation in content and format of such request forms, it is the policy of 3M to provide emails, such as this one, in response to requests for regulatory information.

On behalf of 3M Company, to the best of 3M's knowledge, the chemicals from the Candidate List as amended on 8 July 2021 are not present at or above 0.1% in any of the product(s) listed above. In preparing this response, 3M has relied in part on information provided by 3M suppliers.

SVHC information for articles can be found via the following website: www.3m.com/svhc

I trust the above information is responsive to your request.

Please contact us at tox.uk@mmm.com if there are any additional questions.

Sincerely,

Product Stewardship Group
